

GAF Master Elite[®] Contractor:

A mark of roofing excellence

The GAF Master Elite[®] Contractor emblem is more than a sticker or a logo. It's an invitation. A badge. A mark of distinction.

It can't be bought. It can only be earned.

What it takes to earn the GAF Master Elite® Contractor Badge

Every GAF Master Elite® Contractor is trained and tested to GAF requirements, insured, appropriately licensed, has good credit, and is in good standing with the Better Business Bureau.

Only 2% of roofers in North America are invited to become GAF Master Elite® Contractors. That's right. We cannot apply; we need to be invited.*

Your connection to the best GAF warranties

Workmanship coverage is one of the most important differentiators when choosing a residential roof warranty. Standard product warranties often include the labor required to repair or replace a covered component due to manufacturing defect, but don't cover mistakes made by the contractor — the "workmanship."

GAF entrusts Master Elite® Contractors like me to offer you their strongest warranties, including certain enhanced warranties that provide workmanship coverage.
